

Northeast PHP Conference 2015

Sponsorship Packages

Background

Thank you for your interest in sponsoring the Northeast PHP Conference! You may already know about our conference, but in case not we wanted to give you a bit of background. This year will be our fourth year running the event which is organized entirely by volunteers - we are a registered nonprofit organization. Last year was a success—we sold over 200 tickets. As well, we were voted the number one event in 2012 at the Microsoft New England Research & Development Center! (that was our first year for the conference) .

Some additional facts about last year's event:

- Over 30 talks were given by more than 20 speakers.
- The [#NEPHP](#) hashtag on Twitter generated many many tweets throughout the event.
- Two incredible keynotes were delivered by Steve Krug (author of Don't Make Me Think and Rocket Surgery Made Easy) and Frances Berriman (Code for America) .

We're looking forward to putting on another great conference this August 22-23 with your help. The two days (Saturday and Sunday) of sessions are focused on PHP, web technology, and user experience. Tickets will be \$200 per person for the whole conference, with an early bird price of \$150.
