

Spring 2015

Hello Potential Northeastphp Speaker,

We are getting closer to the conference! First of all -Thank you for considering to submit your talk; obviously, without them there would be no conference!

Here is what we are currently offering for this year's Speaker Package:

Conference Ticket

You will receive one (1) complimentary ticket for full access to the conference and the conference event night. You will receive all the swag and hand-outs that the regular attendees will receive.

Hotel Information

We will cover your hotel costs for up to three (3) nights if you are staying at our preferred hotel. More information on this will be provided if you are selected as a speaker.

We reserve the right to limit this expense as it will be a large potential impact on our overall budget.

Talk / Session Information

Selected talk titles will be posted on Lanyrd and Joind.In and you will be expected to connect to them; "claim them" so that attendees can provide feedback and for you to upload your slide deck.

Speaker's Dinner

On the evening of August 22nd we will be hosting our appreciation dinner for all the speakers and organizers. We will send you registration information on this event if you are selected to speak.

NOTE: this date may affect your travel plans; it is the night BEFORE the conference starts.

Speaker's Swag

There will also be an extra special thank-you gift for the speakers. This is yet to be determined but it was actually added into our budget this year!

Questions or Concerns

If you have any please use the contact form at: <http://2015.northeastphp.org/contact/>
